

Patient Participation Group

Welcome to the Red House Surgery.

We would like to inform you about our Patient Participation Group (PPG). This is a group of patients who meet together on a regular basis to both participate in helping the practice with various projects and to act on behalf of our patient population.

We are keen to expand this group and get a good mix of age, ethnic groups and people with particular interests or disabilities. If you would like to join our PPG please complete the slip below and further details will be sent to you.

If you are keen to be involved but cannot attend meetings then you may be interested in joining our on-line PPG. This group tends to be involved more with any patient surveys we undertake.

Details and previous minutes of our meetings can be found on our practice website www.redhousesurgery.co.uk.

We realize that we all have varying commitments and busy lives but appreciate any involvement you wish to make to the group.

THANK YOU

.....
Red House Patient Participation Group

I give my consent for the PPG to contact me by email with further details about the PPG group.

NAME.....

Email Contact below – please write clearly in boxes below:
